*Daisy Air Rifles and BB Guns* Neal Punchard, 2002 Arranged by product type, this book features 300 close-up photos celebrating not only the BB guns, but also the water pistols, cork guns, and accessories that were deemed essential by young marksmen. *In God We Trust* Jean Shepherd, 2010-10-27 A collection of humorous and nostalgic Americana stories—the beloved, bestselling classics that inspired the movie *A Christmas Story* Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant—and utterly hilarious—works of comic art. *In God We Trust: All Others Pay Cash* represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In *In God We Trust*, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage “You can never go back.” Bending the ear of Flick, his childhood-buddy-turned-bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together rendering a wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri.

**Daisy Air Rifles and BB Guns** Neal Punched, 2013-01-15 Few brand names in American history enjoy the same instant recognition as Daisy. Since 1888, children and adults alike, have considered the name synonymous with BB guns. Inexplicably, this highly designed look back at the first 100 years of Daisy BB rifles and pistols, toy and cork guns, accessories, packaging, and period advertising and literature is the book of its kind to examine the history of this legend, let alone in such a stylish fashion. Flash back to the days of your youth and recall fond memories of your Daisy. Daisy Air Rifles and BB Guns looks back fondly on the first 100 years of Daisy BB rifles and pistols, toy and cork guns, accessories, packaging, period advertising and literature. Wacky ads and catalogs conjure grins of pure nostalgia as chapters reveal how Daisy used a combination of savvy business sense and quality products to dominate the market.

*He Was Some Kind of a Man* Roderick McGillis, 2011-04-08 He Was Some Kind of a Man: Masculinities in the B Western explores the construction and representation of masculinity in low-budget western movies made from the 1930s to the early 1950s. These films contained some of the mid-twentieth-century's most familiar names, especially for youngsters: cowboys such as Roy Rogers, Hopalong Cassidy, and Red Ryder. The first serious study of a body of films that was central to the youth of two generations, He Was Some Kind of a Man combines the author's childhood fascination with this genre with an interdisciplinary scholarly exploration of the films influence on modern views of masculinity. McGillis argues that the masculinity offered by these films is less one-dimensional than it is plural, perhaps contrary to expectations. Their deeply conservative values are edged with transgressive desire, and they construct a male figure who does not fit into binary categories, such as insider/outsider or masculine/feminine. Particularly relevant is the author's discussion of George W. Bush as a cowboy and how his aspirations to cowboy ideals continue to shape American policy. This engagingly written book will appeal to the general reader interested in film, westerns, and contemporary culture as well as to scholars in film studies, gender studies, children's literature, and auto/biography.

**Red Ryder and Little Beaver** Bernard A. Drew, 2013-03-01 Fred Harman, Jr. (1902-1982) rode onto newspaper comics

pages with his dynamic range rider Bronc Peeler (1933-1938) and caught fire with daily and Sunday strips featuring hard-fisted Red Ryder and his sidekick Little Beaver (1938-1964). The duo appeared in comic books, prose books, radio and films. What boy didn't want a Daisy 111 Model 40 Red Ryder Western Carbine? Harman worked in a studio on his small ranch in Colorado. In his later years he turned to fine art and co-founded the Cowboy Artists of America. He helped create the Little Beavertown theme park near Albuquerque, New Mexico. Today his newspaper comics are often reprinted and his oil paintings are valued by collectors and may be seen in the Fred Harman Art Museum in Pagosa Springs. Bernard A. Drew, a journalist and freelance writer and historian, specializes in Berkshire County, Massachusetts, history and popular literature reference books. He previously wrote Jingle of the Silver Spurs: The Hopalong Cassidy Radio Program 1950-52 (2005) for BearManor Media. Other recent works include Henry Knox and the Revolutionary War Trail in Western Massachusetts (2012) and 100 Most Popular Contemporary Mystery Authors (2011).

**Eureka** Jim Lehrer, 2009-03-24 Ever reliable and responsible, Otis Halstead is a father, a husband (one half of a “well-dressed couple of substance”), and the CEO of Kansas Central Fire and Casualty. He has never done anything out of the ordinary. Until now. The change in Otis starts with the acquisition of an antique toy fire truck, the exact model he had pined for at age ten but never received. Next comes a Daisy Red Ryder BB gun. But Otis’s real coup is the purchase of his one true childhood passion: a red 1952 Cushman Pacemaker motor scooter. For his baffled wife, Sally, this is the final straw. She insists that he see a shrink. But when tragedy strikes uncomfortably close to home, Otis decides he wants out of his sensible, safe life in Eureka, Kansas. And so, a few weeks before his sixtieth birthday, Otis leaves town, heading west on old U.S. 56, a corporate CEO riding a forty-year-old motor scooter with a BB gun strapped to the side. One might say he was in for an adventure. Otis would say he was finally about to experience life.

**Tails from the Woods** Rick Gordon, 2022-06-20 Welcome to Tails from the Woods! This compilation of short stories is about one man's lifetime of experiences hunting and camping alone or with family and friends. These stories contain memories ranging from early childhood to late adulthood that land the author in many different predicaments from which lessons are learned through successes and failures. These lessons, combined with scriptures from the Bible, helped the author to better understand God's Word and His will for our lives. Some of these stories might help novice hunters increase their hunting skills. But most focus on the mistakes that come from inexperience or carelessness that can lead to hilarious and unwanted outcomes. Maybe you're a seasoned hunter. Maybe you are just starting your hunting career. Or maybe you just like to spend time in God's glorious creation. Hopefully, Rick Gordon's stories, combined with thought-provoking scripture, will bring a smile to your face and help you avoid pitfalls in the woods or in your walk with Christ and all His creation!

**Turning To Into For** Calvin Sims, 2019-06-28 There has never been a motivational book like *Turning To into For*. Based on the author's philosophy that the most important of life's lessons are preceded by a test, the book is composed of two parts: the test and the lesson. The test: the autobiographical first part is the riveting story of a boy who was abandoned as a toddler and left to grow up in an abusive foster home where he was abused, molested, and encouraged to steal until at age nine, when he was given a gun and taken under the wings of the neighborhood gang leader. The lesson: the second part will empower the reader as the author shares the life's lessons, born of unimaginable pain and suffering, which enabled him to, with only a ninth grade education, become an international computer consultant. Inspired to teach the principles that enabled him to escape becoming a tragic statistic, he abandoned a very lucrative career, founded a nonprofit organization, and became an internationally renowned educator, recognized, among other honors, by the George W. Bush White House for his work with at-risk and underprivileged populations. The power of these lessons was called on once again when in 2014 cancer struck. Through treatment and faith, the cancer was eradicated, but the author was left paralyzed from the waist down. The amazing result of what could have ended in tragedy was the reemergence of one of America's most dynamic motivational speakers. *Turning To Into For* will inspire you, empower you, and teach you the principles of what the author has demonstrated, by way of his remarkable life, that which will help you to overcome the obstacles that cause so many of us to fail. The concepts and strategies in this work will strengthen you and help you to develop a powerful, relentless mental attitude that refuses to accept defeat. I never lose. I either win or learn, but I never ever lose.

*Timestep* Julian M. Olejniczak,2019-11-04 In 1965, a young Special Forces officer, originally from Chicago, and a young woman from North Carolina meet by chance. Her father was wounded at Pearl Harbor aboard the USS Nevada but fought the duration of World War II aboard another battleship. By the time that they meet, Mike has served in South Korea and fought in South Vietnam, where he was wounded and decorated for valor. By that time, however, Gloria already had lost her father while she still was in her early teens. After some initial difficulties, eventually they are married while Mike is an assistant professor at West Point. They go on to have three children; and Mike is stationed in Kansas, South Korea (again), Washington state, and Alaska, where he commands an infantry battalion. Finally, he is assigned to advise a National Guard brigade headquartered in New York City, but the story suddenly unravels. Mike takes ill while in New York and is hospitalized, but his illness appears to have occurred much earlier and during a different assignment there. Their marriage and the other duty assignments that followed apparently were the product of Mike's vivid imagination. Then after a prolonged, frequently comatose hospital stay, he quietly dies in his sleep, leaving a complex mystery to be solved. And the mystery only becomes more complicated in the months that follow, forcing the investigation into his death and a few graves to be reopened.

**To Kill a Mockingbird** Samuel D. G. Heath, 2007-05 American society has taught children that no one cares for them, that society is indifferent to them. Dill's folks didn't beat or mistreat him. What they did was tell him: All right, we bought you all the toys. Now, go play with them and leave us alone! This is America! We have bought our children all the toys and then told them: Now, go away and leave us alone! When a child is made to feel he or she is of no consequence, is not loved, is not even wanted, that child has all the potential for becoming a monster, a curse rather than a blessing. Don't expect a child to understand what is adult responsibility. America has failed miserably, as a nation, to cherish its young, and as Atticus Finch warned: The bill is coming due! When any society condones, and even encourages violence, particularly violence against children, that society will pay the price. When a society teaches children that there are no moral absolutes, that perversion is acceptable and approved by society, that all manner of violence and perversion is approved and called entertainment, children know such a society has no real concern for them, that such a society is really INDIFFERENT! to them.
